RE: Recommendation to Continue Student Accident Insurance and Approval of Payment to  
Arthur J. Gallagher

I would like to recommend that we continue to offer the Base Student Accident Insurance for the 2025-2026 School Year. This policy is a Supplemental Accidental Bodily Injury policy that will assist parents in paying for student injuries that happen at school or during a school sponsored activity.

This is one of the policies negotiated by PAEC on behalf of the PAEC Risk Management Member Districts, however, we pay the premium directly to the Broker, Arthur J. Gallagher. The policy will be with Gerber Life again this year. The premium for the 2025-2026 School year will be \$235,226.54. We do not have the invoice yet, but since it will be due by 7-1-25, We are also seeking Board approval to pay the invoice when we get it.
