Standard Terms and Conditions

Payment Terms:

Upon acceptance of this proposal, unless another payment schedule is agreed upon in writing, the following Standard Payment Terms shall be applicable:

If Contract includes installation

50% Down payment
40% Due prior to shipping
10% Due upon completion of the installation

If Contract is supply only (no installation)

50% Down payment
50% Due prior to shipping

Installation

Unless otherwise, specifically indicated on the attached quotation *and/or* indicated on the attached installation responsibility checklist, this proposal does **not** include the following materials and/or services:

- Stamped Engineered Drawings
- Additional Structure Dictated by Stamped Drawings
- Providing Conduit/Raceways
- Electrical Disconnect or Distribution Equipment
- Licensing or Permitting

- State & Local Taxes
- Providing Electrical Service to Location
- Installation of Foundations
- Unloading or Storing of Scoreboards
- Inside Delivery of Scoreboards

Exclusions

In the event that Electro-Mech Scoreboard Co. is under contract to perform all of, or a specified portion of the installation of the scoreboard, signage, and/or equipment outlined in the attached quotation, unless otherwise stated the proposal does **NOT** include: stamped engineered drawings or costs associated with the addition of structure or footings dictated/required by engineered drawings, auguring/digging of footings, supply, pouring or finishing of concrete, rebar cages for footing reinforcement, metal fabrication for base plates or structure, costs associated with the amendment of unsuitable soils (including but not limited to encountering water/water table, rock removal, backfilling of voids created by rock removal, sandy or silty soil, etc.), removal of excavated materials, or additional return trips due to circumstances not directly controlled by Electro-Mech Scoreboard Co. (e.g. *improper power provided, inclement weather, restricted access to the site, etc.*)

Assumptions

In the event that Electro-Mech Scoreboard Co. is under contract to perform all of, or a specified portion of the installation of the scoreboard, signage, and/or equipment outlined in the attached quotation, unless otherwise stated it will be the responsibility of the Owner/Purchaser to ensure the following criteria is met: Electro-Mech will have unobstructed access to the site/location during normal business hours (this access will include entranceways large enough to accommodate the size boom trucks, cranes, and/or lifts as required to perform the scope of work), a clear, unobstructed radius of 50 foot (minimum) around the scoreboard location for the duration of the installation, manufacturer's required power at the location prior to installation, access to power disconnect/breaker(s) for the scoreboard circuit(s), the Owner/Purchaser will be responsible for having a licensed electrician make final power termination.

Deviance

If the scoreboard delivery or installation encounters any instance that requires deviation from the agreed upon scope of work and/or pricing, the project may be stopped or delayed until a mutually agreed upon solution is negotiated between the Owner and Electro-Mech Scoreboard Co.

Acceptance

The undersigned declares that they have authority to enter into agreement on behalf of the Customer, and acknowledges & agrees to the above stated Terms & Conditions for the attached quotation. Further it is acknowledged that any changes to the agreed upon scope of work that affects pricing must be in writing and will be the responsibility of the Customer. Verbal agreements, changes, or discussion related to pricing or scope of work changes *will not* be valid.

Thank you for allowing us the opportunity to quote. Please call if you have any questions. To convert this quotation directly into an order, please provide a signature, purchase order number, and date on the lines shown below.
